

KERALA SCHOOL ELECTRICAL INSTALLATION VERIFICATION REPORT

Name of School: ANSAR ENGLISH SCHOOL
Address: KOLAMBAMBA (P.O), EDAPPALAM
Academic Year: 2026-27
Date of Inspection: 01 / 07 / 2026

CERTIFICATE OF ELECTRICAL SAFETY

I, Mubthaseem P, Licensed Electrical Contractor/Wireman, holding Licence No. CB-10073, have inspected the electrical installation of the above-mentioned school on 01 / 07 / 2026

Based on the inspection conducted, I hereby certify that:

1. The electrical wiring, fittings, switches, sockets, distribution boards, and connected equipment have been inspected.
2. The installation is in good condition and conforms to applicable electrical safety standards and regulations.
3. Proper earthing arrangements have been provided and found satisfactory.
4. All protective devices such as MCBs, ELCBs/RCCBs, fuses, etc., are functioning properly.
5. No exposed live conductors or hazardous electrical defects were observed during the inspection.
6. The electrical installation is safe for use by students, teachers, and staff.
7. Fire and electrical safety precautions related to the electrical installation have been verified.

Remarks (if any)

Conclusion

I certify that the electrical installation of the school building is safe and fit for occupancy and educational activities for the academic year 2026-27
